Double R Ranch Signature Program

Always tender, always juicy, Double R Ranch is a premium brand of grain-fed beef with a flavor as bold as the West. Cattle are carefully raised by a network of family ranchers from around the Northwest. Double R Ranch beef is hand-selected to include only USDA Choice and higher levels of marbling. All qualifying cattle must be of Continental or British beef breed origin, excluding dairy or Bos Indicus genetic influence. The Double R Ranch Signature program represents only the top 1/3rd of the USDA Choice marbling scale. Ensuring an eating experience closest to USDA Prime grade at a great value. Taste the difference that quality selection, feeding practices and great care make. Exclusively at Newport Meat SoCal.
