Introducing Premium Argentine Beef

Argentine beef is world renowned for its quality and taste. Naturally juicy and tender, meeting your most sophisticated culinary demands!

- The cattle are raised in natural, open spaces and range freely.
- Natural grass-fed diet, finished 90 days on corn, in pasture.
- Smaller, well-trimmed primals; perfect for thick and beautiful steaks.
- Great balance of flavor and marbling.
- Sustainable farming practices.
- Animal Welfare certified and free of antibiotics.
