- California Grown**

*Minimally Processed, No Artificial Ingredients, No Preservatives or Additives

Palisades Pride Natural is the finest and freshest California grown Chicken. The growers that are raising our product take great pride in providing poultry with the best care and natural feeds. The birds are fed a 100% vegetarian feed with no hormones or antibiotics. They are raised in a free range environment with full access to the outdoors. We are passionate about providing poultry that has been well cared for and naturally raised. We know that this produces the best product possible every day.
