NEWPORT

Meat & Seafood | a Sysco company

Founded in 1975, Newport Meat & Seafood is the west coast's leading food service protein supplier, specializing in premium quality beef, lamb, veal, pork, poultry, seafood, wild game, charcuterie and more.

Located in a state-of-the-art facility in Irvine, CA, Newport SoCal services the regions most prestigious restaurants, hotels, resorts, entertainment venues, private clubs, caterers, butcher shops and specialty retailers.

Our brand has grown to be one of the largest, most reputable for high quality proteins in the nation, but our business will always be one built on relationships of trust...one customer at a time.
