BUCKHEAD

Meat & Seafood | a Sysco company

FEATURE:

Authentic Mexican style pork chorizo with Latin inspired spices and flavors, perfectly blended quality ingredients catering to all types of restaurants and cuisines.

ADVANTAGE:

Buckhead only uses primal & sub-primal pork products to produce this Mexican style chorizo. Using quality pork products with less fat and zero additives creating a better cooking and dining experience for end user and consumer.

BENEFIT:

This high-quality chorizo has a much better yield than most on the market, generating more profit for restaurant operators and happier customers for repeat business.
